

**Summers The Worst**  
**Michael Leviton**

There s a capo and I m not entirely sure which fret it s supposed to be on, because Michael plays the Ukulele so it was hard for me to tell. I put it on the 4th fret, because I think it sounds best. Feel free to make any comments or corrections.

**C Em Am F**

**C** **Em**  
Summer I m lost in a wonderful trance  
**Am** **F**  
I drink lots of milkshakes and watch people pass  
**C** **Em**  
Through diner windows I see them hold hands  
**Am** **F** **C**  
The kids all look beautiful just because they can

**Em Am F**  
**C Em Am F**

**C** **Em**  
Perfecting their tans, showing off their physiques  
**Am** **F**  
The boys are all hot and the girls are in heat  
**C** **Em**  
I take off my shirt, still my heart s on my sleeve  
**Am** **F**  
I can t help but fall for every girl that I see

**C** **Em**  
And the pickup lines are well rehearsed  
**Am** **F**  
The sun will melt your just deserts  
**C**  
You ll fall in love  
**Em**  
You ll fall head first  
**Am** **F** **C**  
That s when you ll learn that summer is the worst

**Em Am F**  
**C Em Am F**

**C**
