Verse 1:

**C#m**  
I am a holy nation  
**A** **B**  
I am a priestly king  
**C#m**  
A chosen generation  
**A** **B**  
To bring my offering  
**C#m**  
I m calling out for mercy  
**A** **B**  
I m crying out for grace  
**C#m**  
Oh God come heal the nations  
**A** **B**  
And come change everything

Chorus:

**C#m**  
Let God Arise  
**A** **B**  
Let God Arise  
**C#m**  
Let God Arise  
**A** **B**  
Let God Arise

Verse 2:

**C#m**  
I am a new creation  
**A** **B**  
A warrior clean and free  
**C#m**  
My words and declarations  
**A** **B**  
Shape worlds and destinies  
**C#m**  
You cannot silence this life  
**A** **B**  
His fire burns in me  
**C#m**

I rise on wings of worship

**A** **B**  
To heights and worlds unseen

Bridge:

**A** **B**  
As we build a throne in worship  
**E B/D# A**  
All darkness flees  
**B**  
A fire goes before  
**E B/D# A**  
And destroys our enemies  
**B**  
You fight so valiantly  
**E B/D# A**  
As our praises ring  
**G#**  
You are the King!

This is a great worship song.
