

St Christopher On My Way
Michael Logen

Em **G** **C7**
Calling on St. Christopher
Em **G** **C7**
Gonna need some help tonight
Em **G** **C7**
For the long, dark road ahead
Em **G** **C7**
On my way back to the light

Em **G** **C7**
Cause the path is so unclear
Em **G** **C7**
And I m not sure who to be
Em **G** **C7**
All I know is I can t stay here
Em **G** **C7**
Won t you please watch over me?

Am **G** **D**
Cause I m on my way
 Am **G** **C7**
Yes, I m on my way
 Am **G** **D** **C7**
Yeah, I m on my way...
 Em **G** **C7**
now

Em **G** **C7**
It can get so lonely here
Em **G** **C7**
Still I know I m not alone
Em **G** **C7**
Do we learn to face our fears,
Em **G** **C7**
Before they carve our names in stone?

Am **G** **D**
Cause I m on my way
 Am **G** **C7**
Yes, I m on my way

Yeah, I m on my way... now
