(Introduction)

| F | G | F | G Em |

| F | Well you cut me to the quick  
| G | with some kind of abandon  
| F | and I m pouring over every  
| G Em | word in my mind  
| F | And it isn t making sense  
| G | cause it s coming back at random  
| F | and I already forgot what I  
| G Em | expected to find  
| F | So maybe it s the wrong game  
| G | I shut down the replay  
| F | maybe it s a case of  
| G Em | hardness of heart  
| F | but I m down for the count  
| G | and there s got to be someway  
| F | to clear out whatever  
| G Em | keeps us apart

| F | I ll do this  
| G | and I ll do that  
| F Am | I ll be burning  
| Em | canyons for you  
| F | I ll do this  
| G | and I ll do that  
| F Am | Dm | and I will wait forever if you ll  
| G | be there

| F | Now I haven t got a chance  
| G | if there s no silver lining  
| F | I m far past the point of  
| G Em | doing what s right  
| F | I can still strike the match  
| G | that ll start the mountains shining  
| F | there might be something  
| G Em | new in that light

| F | I ll do this  
| G | and I ll do that  
| F Am | I ll be burning  
| Em | canyons for you  
| F | I ll do this  
| G | and I ll do that  
| F Am | but I can t wait till  
| Dm | heaven I won t

| G | be there...
