[Verse 1]
C   D   Em
Girl I know how people feel
      G
When they re watching their favorite band
C   D   Em   G
Their whole world starts coming alive
      C   D   Em
And girl I can t hide it for real
          G
I don t know if you understand
C
Looking at you kinda feels like when the lights go down
C
Got a ticket to the best show in town

[Chorus]
C   D
You give me that front-row feeling screaming with my hands up
Em   G
Walk in the room and everybody stands up
C   D
You got my heart singing whoa-oh-oh-oh
Em   F#   G   A   Bm
You steal my kisses and you steal the show
              C   D
You know the way you work it baby you re a natural
Em   G
They love you in LA NYC and Nashville
C   D
That leather jacket and blue jean I mean damn girl
Em   F#   G   A   Bm C
I can t help it baby I m a fan girl

[Post-Chorus]
C   D
Got me in the palm of your hand girl
Em
More than I can stand girl
G   C   D
Baby I m a fan girl

[Instrumental]
Em F# G A Bm C

[Verse 2]
C   D   Em   G
Girl when you re in my arms you shine like a bright star
C   D   Em   G
Give me the best night of my life kinda high
C
Being next to you kinda feels like in a spotlight glow
C
With a t-shirt with your face on yeah

[Chorus]
C   D
You give me that front-row feeling screaming with my hands up
Em   G
Walk in the room and everybody stands up
C   D
You got my heart singing whoa-oh-oh-oh
Em   F#   G   A   Bm
You steal my kisses and you steal the show
            C   D
You know the way you work it baby you re a natural
Em   G
They love you in LA NYC and Nashville
C   D
That leather jacket and blue jean I mean damn girl
Em   F#   G   A   Bm C
I can t help it baby I m a fan girl
