Hush now, you don t know how  
i would sacrifice my world for you  
hush now, let it all pour out  
you ll be right as rain onto

**C Em D/F#**

and i heard you crying so quietly  
and i heard you crying, won t you cry on me!  
oh, let me just hold you now all your life  
oh when i heard you crying so quietly, last night

**G D/F# Em C G D/F#**  
**G D/F# Em C D/F#**

rest here, bring your head near  
i will fight your fears inside these arms  
rest here, on my shoulder, dear  
i will comfort you from all the harm

**C Em D/F#**

and i heard you crying so quietly  
and i heard you crying , won t you cry on me!  
oh, let me just hold you now all your life  
oh when i heard you crying so quietly

oh i heard you crying so quietly

sleep by me  
this bird i see shouldn t we  
just be safe, be brave  
sweet you dream  
all the night may seem  
so cold, be bold for me

and i heard you crying so quietly  
and i heard you crying, won t you cry on me  
oh, let me just hold you now all your life  
oh when i heard you crying so quietly

ohhh

and i heard you crying so quietly  
and i heard you crying, won t you cry on me  
last night
