E G Em A (x2)

E G Em A
I can't fight no more tonight
E G D A
My words are useless here
E G D A
I can't play your melody this way
E G D A
I won't be your remedy again

G
Oh, I don't wanna know

Em
you won't let it go

watch us as we go

to and fro to and fro

lover, enemy

gripping, twisting me

something's gotta give
