

Wide Awake

Michael Schulte

Intro: Em C G Em C G

1. Strophe:

Em C G

Wide awake, but still I m gone

Em C G

Just a darkened room, a song for you

Em C G

I m hanging in the clouds that you would break

Am C Em

Craving, craving for you

Em C G

I m swaying in the doubt that s marching on

Em C G

Fighting it with pure despair

Em C G

Breathing, feeling, craving just for you

Am C D

Oh yeah I am craving, craving, craving

Chorus:

C Am

Lying here wide awake, waiting for your embrace

C D

You are my sweet escape, from stormy days

C

Am

So many words to say praying you ll come my way

C

D

Without you I suffocate, with eyes wide shot

Em C G
