Just a small town girl on a Saturday night
        Em7
                            \mathbf{Em}(\mathbf{Emaj7})
Looking for the fight of her life
                                Cadd9
in the real time world no one sees her at all
       Cadd9(Cadd13) B7sus4 B7
they all say she s crazy
                                    Em6
               Em
Locking rhythm to the beat of her heart
                             Em(Emaj7)
Changing movement into light
                                     Cadd9
She had danced into the danger zone
             Cadd9 (Cadd13)
                                               B7sus4 B7
When the dancer becomes the dance
[Pre-Chorus]

On the wire between will and what will be

[Verse 2]
         Em
                             Em6
On the ice blue line of insanity
                            Em(Emaj7)
is a place most never see
It s a hard won place of mystery
      Cadd9(Cadd13) B7sus4 B7
touch it but can t hold it
         Em
                             Em6
You work all your life, for that moment in time
                            Em(Emaj7)
It could come or pass you by
                               Cadd9
it s a push shove world but there s always a chance
                            B7sus4 B7
      Cadd9 (Cadd13)
if the hunger stays the night
[Pre-Chorus]
Α7
There s a cold kinetic heat struggling stretching for the peak
                        B7(B13)
Never stopping with her head against the wind
[Chorus]
         C
                   D
She s a maniac, maniac on the floor
                             D
And she s dancing like she s never danced before
         C
                   D

And she s dancing like she s never danced before
