

## One By One

Michael Stillwater

Michael Stillwater: One by one

A            D            G            Em  
One by one everyone comes to remember

A    D            G            Em            A    D    G    Em  
we're healing the world one heart a time

A            D            G            Em  
One by one everyone comes to remember

A    D            G            Em            A    D    G    Em  
we're healing the world one heart a time
