(I sing this in F#M [F#m D E])

[intro **Gm Eb Gm Eb** (2x)]

[Verse 1]

Gm Eb

All my life I spent, running from my fears

F Gm

Away from all the pain, the pain that I ve left behind

There s wounded everywhere, but I m to hard to care

They melt into the face of who I trust in

[PreChorus]

Gm F Eb
I am beat, and I m so tired of trying

Gm F C
For a chance to earn grace all alone

[Chorus]

Gm Cm F Bb
I am stone, I m smiling, living, loving, dying

Cm F Cm
â€œ There ain t much more than what you can see

Gm Cm F Bb
Deep inside I m crying, for what I keep denying

Cm Dm Gm
For that s the very thing that sets me free

[Verse 2]

I waste so much time, feeding on self pride

My own depravity is all that I can see

So then I try to hide, the clothes of skin Gods made

I lay them on a shelf, and slowly they fade

[PreChorus]

I am beat, and I m so tired of trying

For a chance to earn grace all alone

[Chorus 2x]
