(I sing this in F#M [F#m D E])

[intro **G#m E G#m E** (2x)]
[Verse 1]
G#m   **E**
All my life I spent, running from my fears
   F#   **G#m**
Away from all the pain, the pain that I ve left behind
There s wounded everywhere, but I m to hard to care
They melt into the face of who I trust in

[PreChorus]
     G#m   **F#**   **E**
I am beat, and I m so tired of trying
        G#m   **F#**   **C#**
For a chance to earn grace all alone

[Chorus]
G#m   **C#m**   **F#**   **B**
I am stone, I m smiling, living, loving, dying
   C#m   **F#**   **C#m**
â€“ There ain t much more than what you can see
G#m   **C#m**   **F#**   **B**
Deep inside I m crying, for what I keep denying
     C#m   **Ebm**   **G#m**
For that s the very thing that sets me free

[Verse 2]
I waste so much time, feeding on self pride
My own depravity is all that I can see
So then I try to hide, the clothes of skin Gods made
I lay them on a shelf, and slowly they fade

[PreChorus]
I am beat, and I m so tired of trying
For a chance to earn grace all alone

[Chorus 2x]
