Michael Tolcher - Mission Responsible transposed by Lisa MnHansonFan@hanson.net  
his single.

**E** **A**  
Be a part of an institution, lead the way in a revolution  
**E** **A**  
wear a wig and a permanent smile  
**E** **A**  
be a part of a celebration, make the plans or the cancelation  
**E** **A**  
quick descisions lets change our minds

**B** **A**  
well there s people out there, but it s people we are  
**B** **A**  
were just faces from different places, drinkin juice from mason jars  
**E** **A**  
i m on a mission responsible  
**E** **A**  
say your good-byes

**E** **A**  
be a father of no realation, or be a symbol for procreation  
**E** **A**  
strike a match and theres sure to be fire  
**E** **A**  
be a part of your situation, blame yourself for your frustration  
**E** **A**  
dig a hole till you lose your desire

**B** **A**  
well there s people out there, but it s people we are  
**B** **A**  
were just names playing different games, drinking coke and eating candy bars  
**E** **A**  
i m on a mission responsible  
**E** **A**  
say your good-byes

**E** **A** **E** **A**  
well i m finding anything s possible closing your eyes  
**E** **A**  
closing your eyes  
**E** **A**  
closing your eyes

**E** **A**  
be a part of your own descision, see your future with tunnel vision

**E** take a chance if you want to survive, (you do want to survive, don't you?)

**E** be the talk of a conversation, you're a superstar out of isolation

**E** get the keys it's your turn to drive

**B** well there's people out there, but it's people we are

**B** we're just voices with different choices, smokin' dope and rockin' out on guitars

**E** I'm on a mission responsible

**E A** say your good-byes

**E A E A** well I'm finding anything's possible closing your eyes yeah yeah yeah

**E A E A** Take a look all around you, say that you want to see something better than

**E** this oh oh

**A E A** take a look all around you, say that you want to see something better than this  
yeah

**E A** I'm on a mission responsible

**E A** say your good-byes (see something better than this yeah)

**E A E A** well I'm finding anything's possible closing your eyes

**E A** I'm on a mission responsible (say your goodbyes)
