

How To Say Goodbye

Michael W. Smith

This is a VERY simple version of the song. I m sure there s someone out there with minors and major sevenths and all that good stuff, but this works, so... it s what I wrote. Enjoy! :)

Verse 1-

C F C
Tell me when the time we had slipped away
Am C
Tomorrow turned to yesterday

It s been building up for years, for this moment now.

Chorus-

Am F C G
Here I stand, arms open wide

I ve held you close, kept you safe til you could fly.

Tell me where the road ahead is gonna bend
Am F G C
And how to harness up the wind and how to say goodbye.
