Song: Love Me Good
Artist: (Michael W. Smith/Wayne Kirkpatrick) ?1998 Rocketown Records

I don t have the intro yet, but here is the majority of the
song:

 C G C G
Sometimes I feel like this world
C G C G
Is just one big, gigantic merry-go-round
 C C
You gotta hold on tight
 C G
Or you get hurled thru the air
C G C
Yea, life is a 3 ring circus
C G C G C G
With clowns and freaks and camels and such
C G C G C
And you never know when you might be
C G C G C
Attacked by the bears

Chorus:
Am Bm G Am Bm G
Give me love, give me love
Bm G C
Love me good

Sometimes I feel like I m afraid of my own shadow and then
Sometimes I can feel as bold as Genghis Khan
But I could never live in a yurt
On a diet of Mongolian barbecue
I conquer the world for a moment
Then the moment is gone

Let us take a moment now to bow our heads and pray
If only to give thanks for making it thru another day

Sometimes I wish I was in a movie
Or some 70s TV thing
Where everything gets neatly wrapped by the end of the show

Yea, but this ain t Hollywood
And this sure ain t the Brady Bunch
How this plot s gonna all pan out
I don t really know

the timing of the chords isn t right because I just heard this song
twice on the
radio. Just work with it a little and it will probably sound right.
