

When We Were Angels
Michale Graves

Really really cool song, Marky Ramone colaborated with Michale and made a rock and roll cover of this song. If anyone knows the name of the Dv Chord, PLEASE let me

know! Thank you. ^_^

Play the G chord like this: 320033

*The Dv chord is played xx0432, Dv is D variant.

UPDATE: The Dv chord is supposedly a Bm Variant...

but I ll leave it as Dv for simplicity and readings sake.
