

I m thinking I could bring her back home

**G**

My mom and dad will love her I know

**D**

I wish that I could leave it alone

**B7**

**Em**

But she s too fucking beautiful

Break all my rules (break all my rules),

**Am**

**Am**

And I know better

**G**

Than to mess with my destiny

What s best for me

**D**

**B7**

**Em**

**Am**

She got me everyday on the phone

**G**

She make me wanna get off the road

**D**

Wish I could turn it off, let it go

**B7**

**Em**

But she s too fucking beautiful

**Am**

Thinking I could bring her back home

**G**

My mom and dad will love her I know

**D**

I wish that I could leave it alone

**B7**

**Em**

**Am**

**G**

But she s too fucking beautiful, yeah yeah
