Am **C** **G**
How to see nothing at all become so loud

Am **C** **G**

Am **C**
here we are pretending that we re doing fine
G
just scratching the surface, just getting by
Am **C** **G**
don t you think its time that we feel something real

F **C**
I want tears, I want rain
G
If that s what leads me back to you
F **C**
even if it means feeling the pain
G
if that s what we gotta do
F
then let it fall apart
C
come on and break my heart
G
Yeah break it right in two
F
Cuz I dont wanna smile
C **G**
if that means losing you
Am
