Versel

**C G Am**  
One less call to answer,  
**C G Am**  
feeling full of despair,  
**F C G**  
don t think I can get through it,  
**C G Am**  
just one last prayer.

Verse2

Searching for the answer,  
nobody seems to care,  
Oh how I wish that you were here,  
beside me,  
to wipe away my tears.

Verse3

Waiting for the answer,  
remembering times we would share,  
somehow I feel you here beside me,  
even though your not there.

Chorus

And it s a leap of faith,  
**C G Am**  
when you believe there s someone out there,  
**F C G Am**  
it s a leap of faith when you believe that someone cares, oh,  
**F C G**  
and when I call out to you,  
**Am F G**  
will you be right there,  
**C G Am x2**  
right there.
