Sweet Misery  
by Michelle Branch  
Transcribed by Sam Kim

Intro: **C, G, Am, G** 2x

**C**            **G**  
I was lost

**Am**  
And you were found

**G**                    **C**  
you seemed to stand on solid ground

**G**  
I was weak

**Am**  
And you were strong

**G**  
And me and my guitar

we strummed along, oh

**Fma7**        **C**            **G**  
Sweet misery you cause me

**Fma7**                            **C**            **G**  
That s what you called me

**Fma7**        **C**            **G**  
sweet misery you cause me

**C, G, Am, G** 2x

**C**            **G**  
I was blind

**Am**  
But oh, how you could see

**G**  
You saw the beauty in everything, everything and me

**Fma7**        **C**            **G**  
Sweet misery you cause me

**Fma7**                            **C**            **G**  
That s what you called me

**Fma7**        **C**            **G**  
sweet misery you cause me

**C**            **G**            **Fma7**  
and in my heart I see, oh

**C**                            **G**            **Am**    **G**

what you re doing to me

**C**                    **G**                    **Fma7**

and in my heart I see, oh

**C**                    **G**                    **Am**                    **G**

Just how you wanted it to be

sweet misery

**C, G, Am, G** 2x

**Fma7** **C** **Fma7** **C** **G**

Oh.....whoa

**Fma7**                    **C**                    **G**

sweet misery you cause me

**Fma7**                    **C**                    **G**

that s what you called me

**Fma7**                    **C**                    **G**

sweet misery you cause me

**C**                    **G**                    **Fma7**

and in my heart I see, oh

**C**                    **G**                    **Am**                    **G**

what you re doing to me

**C**                    **G**                    **Fma7**

and in my heart i see, oh

**C**                    **G**                    **Am**                    **G**

just how you wanted it to be

sweet misery

**C, G, Am, G** 2x

**C**                    **G**

I was weak

**Am**

and you were strong

**G**

and me and my guitar

we strummed along

\*\*Hey, this is pretty close to the original. The Fma7 is supposed to be played with the pinky on the 1st string and on the 3rd fret. I don t know what the chord is called so I just put Fma7 in it. Oh well it s pretty close anyways. And since no one is posting Michelle Branch, I decided to just go ahead and do it.
