â€ˆCelebrate Loveâ€™ - Lyrics and Chords  
Written and Performed by Michou

Capo 6

**C, G, C, G, C, G, D x2**

Lights lit up, and we got low.  
We moved everything we owned.  
And I walked you back home  
alone.  
And itâ€™s so hard to say okay,  
when our days are looking grey.  
But we found ourselves in a place to stay.

Chorus - **C, G, D, G**

You said we could,  
celebrate love, celebrate love  
celebrate love.  
You said we could,  
celebrate love, celebrate love  
celebrate love.

Interlude - **C, G, D, G**

**C, G, C, G, C, G, D**

And now weâ€™re never looking back;  
singing until our voices crack.  
Cause darling this is everything,  
we need.

Chorus - **C, G, D, G**

You said we could,  
celebrate love, celebrate love  
celebrate love.  
You said we could,  
celebrate love, celebrate love  
celebrate love.

Interlude - **C, G, D, G x2**

**C, G, C, G, C, G, D**

And now weâ€™re never looking back;

singing until our voices crack.  
Cause darling this is everything,  
we need.

Chorus - **C, G, D, G** x3

You said we could,  
celebrate love, celebrate love  
celebrate love.

You said we could,  
celebrate love, celebrate love  
celebrate love.
