

Down The Road
Mick Flannery

Another nice quiet song off Mick's new album.

This song is finger-picked but I won't tab out the picking pattern because it's too easy, so if you can't figure it out for yourself there is no hope.

This song is played with the Capo on the 2nd fret.

The chord structure is the same for each verse and chorus as they are written the first time.

Intro: | B | F# | B | F# | E | G#m | F# | E |

Verse:

B F# B F#
It's been a good spell, far as I'd tell,
E G#m F# E
But darling you must know now I don't feel well.
B F# B F#
How it's goin' and where it's goin',
E G#m F# E
We never had an easy way of knowin'.

Chorus:

B G#m B G#m
In my mind I see my sister,
B G#m B F# B
In my mind I hear my mother call me home.
G#m B G#m
I'm in need of no man's mercy,
B G#m B F# B F#
You just touch my hand and wave me down the road.

Verse:

Bring my child here, bring 'em all near,
There's somethin' that I want each one to hear.
That I am goin', I am goin',
But what a thing to have pride in the knowin'.

Chorus:

In my mind I see my sister,
In my mind I hear my mother call me home.
I m in need of no man s mercy,
You just touch my hand and wave me down the road.

Verse:

I see a young man, pen in his hand,
He s tryin to sum the whole show up, but he can t.

Verse:

Lookin back on, all the we ve done,
The whole thing seemed to have no rhyme or reason,
Put your shoes on baby, put your dress on,
I think they re linin up the last dance of the season.

Finish on C.

Thanks for looking at this tab I hope you like it, i ll have more of Mick s new stuff put up in the coming weeks.
