Am
She was the smiling girl,
Am
It could light up the world,
G
And well did she know,
Am
That she had a hold on a man,
Am
The more that she showed to a man,
G
The more she controlled,
Am
â€˜Cause she was the smiling girl,
Am
They said, â€œKeep away from the girl,
C E
Sheâ€™ nothinâ€™ but bad news.â€•

Am
And she had a jealous man,
Am
Said she wanted rid of him,
G
She lay by my side,
Am
Anâ€™ he was the hard-workinâ€™ kind,
Am

Nothin' but her on his mind,

G

She was his prize,

Am

'Cause she was the smiling girl,

Am

Said, "What do you want from me girl,

C E

Blood on my hands?"

Am

C

G

And oh boy, you were warned this would happen!

Am

C

G

And oh lord, you'd have known this was comin,

Am

Yeah, he came out lookin' for her,

C

He found us both together,

E

Am

Beware the wrath of the jealous man,

If he could not be with her,

C

Then she could be with no other,

E

Am

And so it is and will always be.

OUTRO (instrumental): (**Am C E**) Repeat and end on **Am**
