Don t Tear Me Up by Mick Jagger

(intro -- organ/hi-hat A-D-A-D)

(verse)

A **D**

Life is rich, but it s way too short

Bm **D**

You make a lot of money, but you just want more

A **D**

I don t need the pain, right here in my heart

Bm **D**

But I hate every minute when we re so far apart

A-D-A-D

(verse)

It was love in a minute, it was love in a flash

It brings me no pleasure, just a stab in the back

It brings me no comfort, it brings me no peace

A weight on my shoulder, it s a fatal disease

(chorus 1)

F#m A D (power chords, then down)

So don t tear me up

Bm

D

I don t ever want to see your picture again

F#m A D (power chords, then down)

And don t poison my blood

Bm

D

I don t ever want to see your face anymore

A-D-A-D (piano aaaa)

(verse)

Gonna finish it quick, gonna finish it clean

Don t wanna be bitter, I don t wanna be mean

I feel like we re driving down a dead end street

I ve come so far I wanna crash the car, I wanna land right on my feet

(chorus 2)

I said don t tear me up

I don t ever want to see your picture again

I said don t tear me up

I don t ever want to see your face anymore

(bridge)

E D A Bm D

But I dream of you constantly, you ll be my angel of light

E D A Bm D

And in the dark rooms of sleeplessness, you ll be my lover each night...

[solo - **A-D-A-D-A-D-A-D**]

Life is a bitch, it s way too short

Unlike a politician it just can t be bought

Think about the tenderness, and think about the craziness

And if you ever wanna hate me come and stick a knife right in my chest

(repeat chorus 2)

(verse)

I said don t tear me up

I said don t tear me up

So don t poison my blood

I don t ever want to see your picture again
