[INTRO]

D A D A G A

[CHORUS]

D A
She s a hard woman to please
G A
And I thought about letting her know
D A
She s a hard lady to leave
G A
And I thought about letting her go
D A
She s a tough lady to leave
G A
But I thought about it
D A G A
She s a hard lady to please, yes she is

[VERSE]

D A D A
I gave her laughter, she wanted diamonds
G A
I was romantic, she treated me cruelly
G A
Where is the mercy, where is the love?

[PRE-CHORUS](SAME CHORDS AS CHORUS)

You see passion has a funny way
Of burning down and running low
And suddenly it goes out
And you wonder where does it go

[CHORUS]

She s a hard woman to please
I ve thought about leting her know

She s a hard lady to leave, yes she is

[VERSE]

I gave her laughter, she wanted diamonds
She was unfaithful, treated me cruelly
Where is the mercy, where is the love?

[BREAK]

D A Bm G
I m alone at last, something inside me knows
D A
I could have loved in vain for a thousand years
G
I have to let her go

[CHORUS]

D A G A
I ve got to let her go
D A G A
I ve got to say goodbye
D A G A
How can I say goodbye to my baby?
D A
She s a tough cookie, hard lady
G A
I ve got to say goodbye

[BREAK]

Alone at last and something inside of me knows
I could have loved in vain for a thousand years
I have to let her go

[BREAK]

And time goes so fast and new love starts so slow
I could have loved in vain for a thousand years
I have to let her go

[CHORUS]

I ve got to let her go
I ve got to say goodbye
Hard woman to please, yes you are
Hard woman, tough lady
I ve got to, i ve got to say goodbye
How can I say goodbye to my baby?
How can I say goodbye to my baby?
So long honey
