VERSE:

We haven t spoken in months

You see i ve been counting the days
I dream of such humanities, such insanities
I m lost like a kid and i m late
But i ve never taken your coats
Haven t no block on my phone
I act like an addict, i just got to have it
I can never just leave it alone

CHORUS:

Old habits die hard
Old soldiers just fade away
Old habits die hard
Harder than November rain
Old habits die hard
Old soldiers just fade away
Old habits die hard
Hard enough to feel the pain
