My friends, feel it's their appointed duty

Em7 Am7 Em7 A7

They keep trying to tell me, all you want to do is use me

Em7 Am7 Em7 A7

Uh huh but my answer, about all that use me stuff

I want to spread the news that if it feels this good getting used

You can keep on using me

Until you use me up

Until you use me up

My brother, sit me right down and he talked to me

He told me, that I ought to not let you just walk on me

Well I'm sure that he meant well, yeah but when out talk was through

I said brother if you only knew, you'd wish you were in my shoes

You could keep on using me

Until you use me up

Until you use me up

Sometimes it's true, you really do abuse me

Oh you get me in a crowd of high-class people, And you act real nasty to me

I said oh baby, baby, baby, baby, When you love me I can't get enough

I want to spread the news that if it feels this good getting used

You can keep on using me

Until you use me up

Until you use me up
