Mick Taylor

E **B** **Bm** **A**
 It s part of the game to be cool and unaffected
Am **E** **B**
 When I call and say that I want you
E **B** **Bm** **A**
 And you re just the same hide your joy, show no surprise
Am **E** **B**
 When I call and say that I want you
E **A** **E** **F#m**
 Baby I want you, and I love you more each day
E **A** **E** **F#m**
 Baby I want you, and I love you more each day

 Loving you so long

 Where is the life that s been lost in the living
E **B**
 Where is the love that s been lost in the giving

 Nights are so endless

E **A** **E** **F#m**
 Baby I want you, and I love you more each day
