Let me sleep

```
G#                      C#        G#
Walk me through the blindin  snow,
                  C#          G#
Take me where the sun won t go-o
Cm              Fm      G#
Shallow waters never flow
C#              D#
Slowly to the sea
```

Walk me through the dry hot sand,
Steal my cup but fill my hand
Leave me where the valley can
Rock my soul back to sleep

```
Fm              Cm              Fm        Cm
Where the mighty winds lie still, ever silence on the hill
C#          G#              C#          D#
Cradled by the mountain til the Father welcomes me
```

And lay me down in the verdent green
At the breast of the mother spring
```
Fm              Cm      C#          D#
With a song that I can sing one that I can keep
        Fm
Let me sleep
```
