

**Lets Have A Party**  
**Mickey Newbury**

Let s Have a Party

**F** **C** **Bb** **F**  
Well at times I feel I need the rain, at times I need the sun  
**Bb** **F** **Bdim** **C**  
Pleasure is a thread of pain when it is undone  
**F** **C** **Bb** **F**  
Moments of insanity are never like a chain  
**Bb** **F** **C** **F**  
I only know that I m not free the nights when I am sane

Chorus:

**F** **Bb** **F**  
And now lets have a party for my body full of wine  
**G** **C**  
Stand me in a corner, let me crawl into my mind  
**F** **F7** **Bb** **F**  
I found the only lady I will need when I m awake  
**Dm** **Gm** **F**  
She has a heart of crystal, clearly one I will not break  
**Dm** **Am** **Bb** **F** **Dm** **Am** **Bb** **F**  
Ooh ooh ooh ooh ooh, oh oh oh oh oh oh oh oh

Do not be concerned my love when you see me cry  
Laughter does not choose to free the happiness inside  
Just as there may seem to be a smile thats out of place  
Only means there is a pain that hurts too much to face

Chorus
