Lovers

Intro: **Em A Em A D G D G**

D **D/C#** **D/C** **D/B**
Once they were lovers but now they re not friends

Am **G**
She s found another, he says it s the end

Gm **D**
To think they once tore down a wall for a door

A7 **D**
Now they don t speak anymore

So he walks the streets the few night he can stand
Drinkin her memory away when he can
Friend s once would reach out to them from the shore
But now they don t cry anymore

Em **A7** **D**
How does it all come to happen

Em **A7** **D**
That s not what lovin is for

Em **A7** **D**
And if I thought it was I would leave here in the mornin

Em **D**
I d sooner sleep on the floor

Oh, when will learn really what loving is
It s not what you get in return but what you give
To think they once tore down a wall for a door
Now they don t speak anymore..
