Now they don t speak anymore

So he walks the streets the few night he can stand  
Drinkin her memory away when he can  
Friend s once would reach out to them from the shore  
But now they don t cry anymore

**Fm Bb7 Eb**  
How does it all come to happen

**Fm Bb7 Eb**  
That s not what lovin is for

**Fm Bb7 Eb**  
And if I thought it was I would leave here in the mornin

**Fm Eb**  
I d sooner sleep on the floor

Oh, when will learn really what loving is  
It s not what you get in return but what you give  
To think they once tore down a wall for a door  
Now they don t speak anymore..
