My world is like a river, as dark as it is deep

Night after night the past slips in and gathers all my sleep

My days are just an endless stream of emptiness to me
 Bb **F** **Bb**
Filled only by the fleeting moments of her memory

Sweet memorie-es

She slipped into the silence of my dreams last night
Wandering from room to room, she s turning on each light
Her laughter spills like water from a river to the sea
I m swept away from sadness, clinging to her memory
