Lord, today there is no salvation, the band packed up and gone
A D
Left me standing with my penny in my hand
G
Thereâ€™s a big crowd at the station where the blind man sings his songs
A D
But he can see what they canâ€™t, understand.

Chorus:

G D
Itâ€™s the thirty-third of August and Iâ€™m finally touching down
G Em A D
Eight days from Sunday finds me Saturday bound

Once I stumbled through the darkness, tumbled to my knees
A thousand voices screaming in my brain
Woke up in a squad car busted down for vagrancy
Outside my cell as sure as hell it looked like rain

But now Iâ€™ve put my dangerous feelings under lock and chain
Yes, I killed my violent nature with a smile
Though the demons danced and sung their songs within my fevered brain
Not all my God-like thoughts Lord were defiled
