When Do We Stop Starting Over Mickey Newbury

When Do We Stop Starting Over

f A f A7 f D f A Over and over, so many times

F#m B7 E

We ve started over again

A A7 D A

So careful to fit all the pieces back together ${\bf B7} \qquad {\bf E}$

So carelessly thrown to the wind

A A7

And words only spoken in moments of anger

D Z

But remembered long after they re said

D E A D

In time will destroy all and leave us forever

A E A

Alone in our own empty beds

When do we stop starting over We ve started over before When do we stop slowly killin one another With words and at times even more

We must forgive and for all that has happened Forget what can keep us apart And start learning now how to trust one another And stop breaking each others hearts

D A

Stop starting over
