When The Baby In My Lady Gets The Blues

**D Bm G A D Bm**  
She s my baby, once in a while she s a lady,  
**G A D Bm**  
But the lady don t smile too much lately.  
**G A D G A**  
Now the lady s got the blues.

**D Bm G A**  
Lord, I need her when she s not around,  
**D Bm G A**  
But I ll see her the next time she s down,  
**D Bm G A D G A**  
And the baby in my lady get s her blues.

**G E7 A A7**  
When the baby in my lady remembers someone  
**Bm D**  
Who s waiting just to hold her,  
**G /F# Em A Asus4 A Asus2**  
Not to scold her for what she has done.

I need her when she s not around,  
But I ll see her the next time she s down  
When the baby in my lady gets the blues.

Yes if she needs me, how could I mind  
When she leaves me, Lord, it s so fine  
When she needs me, when my lady s got the blues.
