**G**

Blue eyes are turning green

**Bm** **Am7** **G**

Might have always been that way

**G**

A soft kiss is a hard goodbye

**Bm** **Am7** **G**

Been knocked out since yesterday

**G**

Black eye ain t no blue heart

**Bm** **Am7** **G**

And a blue heart ain t your soft kiss

**G**

Don t get me started bout holding your hand

**Bm** **Am7** **G**

Just send my ass to a hospital again

**D** **Am7** **G**

I ve been looking for sometime

**D** **Am7** **G**

In a room full of pennies for my dime

**D** **C** **G**

It aint easy to find

**D** **Am7** **G**

A girl like you to be mine

**G**

Just a look at you make my heart skip

**Bm** **Am7** **G**

And to think of you does jumping jacks

**G**

Told myself that you re the one

**Bm** **Am7** **G**

And I told myself I could get you back

**G**

When I came back you still werent mine

**Bm** **Am7** **G**

Then I left again and you still werent mine

**G**

I m back again so just be mine

**Bm** **Am7** **G**

I am so tired of runnin

**D** **Am7** **G**

I ve been looking for sometime

**D** **Am7** **G**

In a room full of numbers for my prime

**D** **C** **G**

It aint easy to find

**D** **Am7** **G**

A girl like you to be mine

**G**

She s a southern girl without a drawl

**Bm** **Am7** **G**

She s a good girl who wears black bras

**G**

Only one who can make me crawl

**Bm** **Am7** **G**

But she s too sweet to force me

**G**

Got a hard hand but not on her

**Bm** **Am7** **G**

I got a foul mouth that she never heard

**G**

Hear her sing just like a bird

**Bm** **Am7** **G**

Should write her a s ong about me

**D** **C** **G**

I ve been looking for sometime

**D** **C** **G**

In a world full of pennies for my dime

**D** **Am7** **G**

Well it aint easy to find

**D** **C** **G**

A girl like you to be mine
