

Middle Brother
Middle Brother

Pretty simple, listen to the song to get the rhythm. I couldn't find official lyrics online so I wrote these out, I think they are pretty close. Use bar chords

in the verses and regular chords in the chorus. Awesome band, great song.

[Intro]

G A D G

[Verse 1]

G

Stay hydrated from a double shot

A

Get my nourishment from a punch in the gut

D

Never really felt I had the best of luck

G

I got a big big mouth that just a won't shut up

G

Hop in the car turn the radio on

A

Out from the speakers a familiar song

D

Head down the road start to hum along

G

Made it all the way home and left the TV on

[Chorus]

C **D** **G** **G7**

But I'm gonna learn to fly an airplane

C **D** **G** **G7**

And it's gonna make my mama proud

E **Am** **A7**

I'm gonna get my dad to notice me

D

Even if I have to fly it into the ground

[Verse 2]

G

I know my days are numbered but I'm bad at math

A

I got a dick so hard that a cat couldn't scratch

D

Made some bad decisions, I shouldn't go back

G

I can't see her it's just not like that

G

You see I had this lovely baby but I roughed her up

A

There's a little ounce of pain behind every grunt

D

All the noise that I make, I shouldn't complain

G

Regrets, tics, I guess it's the same

[Chorus]

C **D** **G** **G7**

But I'm gonna learn to fly an airplane

C **D** **G** **G7**

I'm gonna make my children proud

E **Am** **A7**

I'm gonna make them all respect me

D

Like when I first showed up in town

[Guitar Solo]

[Piano Solo]

[Verse 3]

G

Plenty of money coming in cause I get child support

A

To a family who don't want me but don't leave me alone

D

It's a terrible way to live but it ain't my choice

G

I signed away all my earnings on a little invoice

G

I'd like to be the hero on the evening news

A

Smiling in the face of danger like there's nothing to lose

D

Taking out terrorists that self detonate

G

Telling kids to stay in school and always get good grades

[Chorus]

C **D** **G** **G7**

And I'm gonna learn to fly an airplane

C **D** **G** **G7**

And I m gonna make my country proud

E **Am** **A7**

I m send this off to Nashville

D

And sell my soul to a whole new crowd
