[Verse 2]

**G**

I came a little closer to the truth that day

**C**

When I heard its call in the alleyway

**G**

And the one resounding answer that I could take

**C**

Was that I don t know nothing and I got no way

[Chorus]

**Em**

**G**

I got all muddled up and journeyed to the edge of town

**C**

**Am**

And then the road cracked open, sucked me in and I went down

**Em**

**G**

I m standing face to face with the king of the underground

**C**

**Am**

Some things just don t add up, I m upside down, I m inside out
