Midge Ure

[Intro]

Em D Em D Em Bm A D

[Verse]

Em D When I was a boy there s a dream that I had  
Em D That a war if it s fought was for good against bad  
Em Bm And I woke up to find that the world had gone mad  
A D And we d all fall down  
Em D And I feel like a child again sitting observing  
Em D You re toying with power, your fingers are burning  
Em Bm You re pushing so hard that the worms won t be turning  
A D We ll all fall down  
Em D While you try to pretend you re a god upon high  
Em D With your party ideals and your squeaky clean lies  
Em Bm When it comes to the crunch you re not smarter than I  
A D And we ll all fall down  
Em D If it s colour or creed or your old time religion  
Em D Well fighting for that shows a pure lack of vision  
Em Bm The fight that we strive is the fight to survive  
A D And we ll all fall down  
Em D Well look in the mirror and what do you see  
Em D An American, Russian, a soldier or me  
Em Bm When you ve all pressed the buttons just where will you be  
A D When we all fall down

[Verse]

It gets harder to see just what future s in store for us  
Em D  
Hard to see through all the wool you pull over us  
Em D  
Words that you give are just words to console us  
A D  
We ll all fall down  
Em D  
And what will you do when you ve pulled the release  
Em D  
When the sound of the thunder has drowned out the pleas  
Em Bm  
Cos after all that was your idea of peace  
A D  
When we all fall down  
Em D  
No sun for a world that once stood so tall  
Em D  
No wind s going to blow and no rain s going to fall  
Em Bm  
No flowers for graves, in fact no graves at all  
A D  
When we all fall down
