

**Vienna**  
**Midge Ure**

Watch <https://www.youtube.com/watch?v=Dx-Mho3qU2I> for Strumming/Timing  
Standard Tuning **E A D G B E**

It is nearly similar than the version of M4xiK1ng, instead of downtuning. He did a great Job!  
I changed the intro part and did something in the Chorus part, that I am missing from Midge Ure s version

 It fades to the distance
