Verse 1:

F (Riff throughout)

Come around the corner looking at a fan to sift.

F

Take what you couldn't take here, make sure and make the monster vicks.

Bridge:

F (Riff 2 6 times)

Straight back, all appear.

F (Riff)

Don't ever c-come come undone,
don't want to say well it's done when I'm over.

G# (Riff 3)

Seen the corner play that colder for that style of higher collar, I know.

F (Riff)

Do the same thing over and over, hey do the same thing over and over.

Chorus: (Play with Riff 4)

G# F# C#
Farewell, June.

G# F# C#
Farewell, June.

Bridge 2:

G#

Rollerblades broke your daughter, three lanes coming to someone with me.

(Riff 5)

(Riff)

Verse 2:

F (Riff)

Silver, silver gentry make it up to where I live.

F (Riff)

Take, what s it gonna take him? Hey I m bout to boil with him.

Bridge

Chorus

Bridge 2

Verse 2

F (Riff 2)

Straight back, all appear.

F (Riff 6)

Don t ever c-come come undone,
don t want to say well it s done when I m over.

Chorus (3 times)

Note: Well, I don t think I ve ever translated lyrics so horribly. The only thing I m confident he s saying is monster vicks. It s definitely monster vicks and a fan to sift, as they are both very deep, the pronunciation.

Also, there are a lot of riffs/fills sprinkled around but the rhythms and timing in which they re played are pretty easy to pick up. I hope it works out.
