

We Gathered In Spring
Midlake

After watching them play live I noticed they change the guitars tuning to make it very simple to play.

TUNING - DADF#Ad

JUST PLAY THESE TWO CHORDS OVER AND OVER

A9sus4 - 000000 [No frets held down]

Esus4 - 033300

A9sus4 **Esus4**

I m tired of being here

A9sus4

On this hill

Esus4

A9sus4

No-one lives to be three hundred years

Esus4

Like the way it used to be

A9sus4

Esus4

I think they were giants

A9sus4

Esus4

I think they were giants

On this hill, nothing grows except weeds

You will stay to finish your work

As long as need be

As long as need be

On a clear day

I can see my old house

and my wife in the front yard

Talking with the friends

We gathered in spring

We gathered in spring

We gathered in spring

We gathered in spring

Instrumental

I m tired of being here
On this hill
Where I m sure to find my last meal
No-one lives to be three hundred years

On a clear day
I can see my old house
and my wife in the front yard
Talking with the friends

We gathered in spring
We gathered in spring
We gathered in spring
We gathered in spring
