

Winter Dies
Midlake

[Intro]

Bm Em

[Verse 1]

Bm

Em

As the spring is made alive the winter dies

Bm

Em

And the final cries of creatures are long behind

Bm

Em

And full of spirit the village starts again

Bm

Em

With one more year for a man to change his ways

[Chorus 1]

Bm

G

I used to feel all things around me stir,

F#m

Grateful for all I received,

Bm

G

Taking in the sounds and ways of creatures upon the Earth

F#m

Bm

Great were the rivers I swam waning out the sun

[Verse 2]

Bm

Em

As the winter dies the Earth is brought to life

Bm

Em

And a thousand merchant ships sail to find

Bm

Em

A worthy village to land and start again

Bm

Em

With one more year for a man to change his ways

[Chorus 2]

Bm

G

I used to feel all things around me stir,

F#m

Grateful for all I received,

Bm

G

Taking in the sounds and ways of creatures upon the Earth

F#m

Bm

Great were the rivers I swam waning out the sun

[Chorus 3]

Bm

G

I used to feel things around me stir

Bm

G

And hear the sounds of creatures upon the Earth

F#m **G**

Grateful for all I received

F#m **G**

Through the winter cold and spring
