Koala Sprint

From the Head injuries album.

Tabbed by Matt Sheumack

(Tabbed for 2 Guitars)

And out from the echoes of the night
 Concrete caverns catch the sky and hold the stars to ransom
 A thousand dreams, it s getting late
 Thousand runners standing still
 I can smell the sand and sea again
 I ve had enough away
 City times down down, I ve got to go
 Lord don t let me wait, Stay low

Am Bb Dm
 Cause I m going up north again
