This song is tabbed for two guitars. The First Guitar is not capoed (jim) plays Riff 1. and Plays the Choruses As G# E B F# and various other fills. as well as the solo.

The Second Guitar (martin) is capoed at the fourth fret and doesn t play Riff 1., but plays riff 2. for the bridge. During the Choruses play chord formations Em C G D relative to the capo.

I ve tried to mark which guitar is playing what as clearly as possible.
