**Midnight Youth**

Midnight Youth " Mark My Words  
Capo 1st fret

**Bm** **G**  
One last look before I go  
**D**  
I'll never understand it  
**Bm** **G** **D**  
But I know I can be strong  
**Bm** **G**  
Falling like an autumn leaf  
**D**  
I'm falling from the tallest tree  
**Bm** **G** **D**  
Into a time I don't belong

**Bm** **G** **D**  
Mark my words that I'll move on  
**Bm** **G** **D**  
And I will stay strong

**G**  
I let my lover walk  
**D**  
Into the coming dawn  
**Bm** **A**  
I rest my hope in the daylight  
**G**  
And if the sun should rise  
**D** **A** **Bm**  
Would you believe that when all is said and done  
**G** **D** **A**  
We'd be lost if we should face it all alone

**Bm** **G**  
One last touch before I go  
**D**  
One month and I will feel it more  
**Bm** **G** **D**  
One moment keeps the powder dry  
**Bm** **G**  
Feeling like a done-for child  
**D**  
Through it all I somehow smile  
**Bm** **G** **D**  
One moment keeps the flame alive

**Bm G D**  
 Mark my words that Iâ€™ll move on

**Bm G D**  
 And I will stay strong

**Bm G D**  
 Mark my words that Iâ€™ll move on

**Bm G D**
