

**That Golden Room**  
**Mieka Pauley**

This is my first time figuring out a song, so it may need some tweeking. Not sure on the section, but I will add what I think it maybe.

Standurd Tuning.

Verse

**D**                    **A**            **Em**  
I donâ€™t know what to do  
**D**                    **A**            **Em**  
I think I lost track of that golden room  
**D**                    **A**            **E,**  
If I find it again, I will lock myself in  
**D**                    **A**            **Em**  
I donâ€™t know what to do

Chorus

**Bm**                                    **A**  
Please let me come home  
   **Bm**  
Before I forget it  
   **A**  
Please let everything  
   **G**                    **A**  
Be just as I left it

Verse

I did not see the change  
Step by step and Iâ€™m miles away  
With days made of hours, and years made of days  
I did not see the change

Chorus

Please...

Bridge

(pick 3rd fret on b string)  
That memory left me hope  
(pick 2nd fret on b string)  
For a peace I cannot comprehend

(pick open b string)  
Iâ€™ll resolve in heaven

**Bm**                      **A**  
That ache heaven sent

Chorus

Please...

Verse

I donâ€™t know what to do.  
I think I lost track of that golden roomâ€™"
