GOIN TO CALIFORNIA

spent my days with a woman unkind  
smoked my stuff and drank all my wine  
made up my mind to make a new start  
goin to california with an aching in my heart  
someone told me theres a girl out there  
with love in her eyes and flowers in her hair  
took my chances on a big jet plane

never let em tell you that there all the same  
the sea was red and the sky was grey  
wondered how tomorrow could ever follow today  
the mountains and the canyons started to tremble and shake  
as the children of the sun began to awake  
seem that the wrath of the gods got a punch on the nose  
and it started to flow I think I might be sinking  
throw me a line if I reach you in time I ll meet you  
up there where the path runs straight and high  
to find a queen without a king  
they say she playes guitar and cries and sings  
la la la la  
ride a white mare in the footsteps of dawn  
tryin to find a woman whos never never been born  
standing on a hill in my mountain of dreams  
tellin myself its not as hard hard hard as it seems

well there it is MERRY X\_MAS (or so as not to offend anyone)  
HAPPY HOLIDAYS
