[J.Cole]

I hit the club when you left me thinking that could heal

Trying to celebrate my Independence Day, Will Smith

Baby girl who Iâ€™m kidding

Still sick, real shit

All my new bitches seem to get old real quick

And could it be you everything these plain bitches couldnâ€™t be

Is it a sign from the Lord that I shouldnâ€™t be

Lost in the Player way sorta get old to me

Got me on layaway, girl you gotta a hold on me

I say Iâ€™m wrong, you say come again

Damn, said I was wrong look donâ€™t rub it in

I got a lot on my mind

Got a flock full of dimes

Like a line full of hoes,

Look how they coming in

Just saying

You donâ€™t wanna have me then somebody will

Iâ€™m playing

Weight on my chest like I body build

Iâ€™m praying

You ainâ€™t content with trying to do your thang

Hey come back baby boomerang

[Miguel]

That s why

All I want is you now (mhmm)

All I want is you now (yeah)

All I want is you now (sugar)

Now that youâ€™re gone, gone, gone, gone

You know that you re gone (I want you back)
